Flying Cadet

DAN CALDWELL

Dan Caldwell, now a flying cadet in training for the army air corps, is expected home within a few days for a stay with his parents, Mr. and Mrs. W. T. Caldwell, Sr., now temporarily living at North Camp Hood where Mr. Caldwell is with the Post Engineers.

Dan entered the army a volunteer more than 2 years ago and received training in the mechanical corps of the air service, being stationed at Randolph Field in Tampa, Fla. He enlisted several weeks ago as a cadet to fly for the army.

He has been stationed in Baltimore, Md., for several weeks. Lieut W. T. Caldwell, Jr., a brother, went over seas to England early this year with a combat unit of the air corps, as a pilot. He was reported missing in action on August 22, after a bombing raid over occupied France. Since that time no word has come to indicate his fate.

OTTO JISTEL BURIED IN CAMERON MONDAY

Funeral services were held here Monday morning for Otto Jistel, 53, who died Saturday, September 25, 1943, at his home near Port Lavaca.

Mr. Jistel was found dead on his farm Saturday morning. A heart attack was believed to have been the cause of his death.

An ambulance from the Marek-Burns Funeral Home in Cameron went to the Jistel home and returned the body to Cameron where it remained until 9 a. m. Monday. Funeral services were held in St. Monica's with Rev. Geo. J. Duda, directing the Funeral Mass. Interment was made in the Catholic Cemetery.

Mr. Jistel lived in Milam county until about 15 years ago when he moved to Port Lavaca. Surviving are 3 brothers: Fred Jistel, John Jistel and Adolph Jistel, all of Cameron; 4 sisters: Mrs. Philimenia Lenhert and Miss Elizabeth Jistel of Cameron; Mrs. Alouisa Honer who lives in South Dakota and Mrs. Isabell Richardson of Cameron.

Pall bearers were nephews of deceased and the Marek-Burns Funeral Home directed arrangements.

Will Vaughan Quits Ration Board; Lists Duties As Reason

Will Vaughan has resigned as a member of the Gasoline Panel for the local Ration Board, he announced Saturday, in a letter to the reginoal office of the Price Administratior.

Mr. Vaughan, now serving as Deputy Sheriff, said his duties in that office are demanding too much of his time to continue on the ration board and he feels he should resign.

Mr. Vaughan was named to the panel early this year and has served well in the place. The appointment required much of his time which he feels he can no longer devote to the place.

ATTENTION RED CROSS WORKERS

Please come to the Red Cross Sewing Room to learn to make kit bags for navy men. Material is here and an instructor will show you how to to make them. Workers are especially needed on Thursday and Friday afternoons.

This call is urgent—Come!

BUT $300,000 NEEDED TO REACH QUOTA GOAL

With but $300,000 to go Milam county was rounding into the stretch in the 3rd War Loan drive Wednesday and at 3 p. m. Emory B. Camp, assistant treasury representative, reported that the total was $5,174,231.

With the goal in site the workers were putting forth every effort to break tape in good time and leave behind them a race well run for the war effort.

Milam county's goal was much larger than other counties of equal population, even larger than Travis and Bell counties.

Oxsheer Smith, representing the Treasury Department, has scored again as the nation's leading war bond salesman for it was largely through his efforts that Milam county exceeded the goal in April by a wider margin than any other county in the United States.

Praise was coming forth for all those who have had a part. Chas. M. Hicks, county chairman has issued a last minute appeal.

E. C. Cole, leading the forces in Cameron, has done a big job as usual. One of the high lights of the week was the bond rally held by negro citizens when $12,000 in bonds were subscribed and since that time their committees have increased their contribution to the loan drive.

CHAS. E. ANGELL IS BURIED WEDNESDAY

Funeral services for Chas. E. Angell, 80, pioneer Milam county resident, who died at his home in Cameron at 808 North Central Avenue, late Tuesday, were held at 4 p. m. Wednesday from the Walkers Creek Baptist church.

Mr. Angell, aged pioneer, had spent most of his life in Milam county. He was born October 17, 1863, in Athens, Ohio, and came to Milam county when a small boy. He had lived near Cameron for more than 70 years. He had been in ill health for 5 years.

Funeral services were held at 4 p. m. Wednesday with Rev. P. L. Caperton conducting the services and interment in the Walkers Creek Cemetery with the Green Funeral Home directing arrangements.

Surviving are the following: Sam Angell and Elmer Angell of Albuquerke, New Mexico; Verna Angell, James Angell, Earl Angell and Mrs. Clyde Hnsley all of Cameron.

Gus Evans Announces Removal of Office

Gus Evans, Optometrist, announces the removal of his office from the George A. Thomas & Sons, drug store, to the Citizens National Bank Building in Cameron.

Mr. Evans will have the best equipment possible and will devote his entire time to the practice of Optometry, a profession for which he had equipped himself through the years.

He will be in his new office Friday, October 1st.

Lieut. Dragoo Is At Pecos Army Air Field

Pecos Army Camp.—Second Lieut. Marcellus A. Dragoo, son of Mr. and Mrs. Andy Dragoo, Holland, has arrived at Pecos Army Air Field where he is receiving his basic flying training as student pilot officer.

Lt. Dragoo attended Yoe High School in Cameron and prior to his entrance into the service was an employee of Sakowitz Bros., Houston.

Negroes Plan Bond Drive Friday Night

The Negro War Bond Committee announces their final bond rally Thursday night at Lights Chapel church in Cameron beginning at 8:30.

Figures will be announced at the end of the meeting showing the amount raised. All negro citizens are urged to attend this meeting.

SEPTEMEBR IN HISTORY

September 24, 1789—U. S. Supreme Court established.

Capt. George Peets Prisoner of War in Philippine Islands

Capt. George H. Peets, Jr., is a prisoner of war in the Philippines and his parents have just received word from him in the form of a card permitted by Japanese regulations.

Capt. Peets reports that his health is good and that he is not injured and not under treatment.

Capt. Peets is the son of Mr. and Mrs. George H. Peets, Sr., of Mays field. He was born and reared in this county and is a veteran in military service.

According to the information contained in the message his parents have received he is in Military Prison Camp No. 2, in the Philippines and there are other Milam county boys in this camp.

When General Wainright surrendered Corregidor all resistance ceased on the Islands. Capt. Peets, a hero of the battle of Bataan peninsula, was taken prisoner along with his men when Bataan fell. He was not one of the officers who escaped to the fortress of Corregidor.

Capt. Peets, because of his previous military experience, was able to return to the army as a commissioned officer. He was a key man in the operations on Bataan and lived up to his responsibilities as a Texan and fighting soldier. When he reentered the army in 1940 he was stationed in Arizona where he was promoted shortly to Captain and left Fort Bliss near El Paso for the long road to the Philippines on April 21, 1941.

Serving under the command of General MacArthur when the Japs attacked the islands Capt. Peets led his men into action and saw the battle through from Manila all the way to the heroic stand on Bataan.

Capt. Peets ends his message to his parents thus: "I'm well and I hope you and mother are well. Please give my regards to all the gang."

YOEMEN IDLE FRIDAY NIGHT OCTOBER 1

The Yoemen will be idle Friday night October 1st but will play their first conference game of the season against Georgetown here on October 8th.

Due to war conditions full schedules were impossible for every team in the District.

Coach Dick Young called the turn well in his pregame statement last Friday when he sent his team against Brenham. The Yeomen looked alternately good and bad. Line play was better than the backfield although Murski caved in the left side of the Yoemen line at will.

Georgetown should give the Yoemen a hard fight and may have the advantage. The Eagles beat Cameron last year much worse than the score indicated.

As the conference stacks up this year, it is Taylor again and Georgetown second, based on the situation as it looked Tuesday. It appears that Killen although showing the best back in the conference in Gayle Tolliver, is just another ball club. The Kangaroos looked bad against Gatesville. McGregor took the Belton Tigers in a fair clip while Taylor looks strong as ever, winning both starts against Lockhart and Lampasas by wide scores.

Rosebud was beaten by Rogers and will not count strong in the race. The tragedy of the year seems to be over at Rockdale where 13 lettermen returned to school with no coach. The Tigers could have won the district this year.

Sicilian Scarf Sent Mrs. W. D. Bigbee by Nephew in Service

Mrs. W. D. Bigbee at the office of county superintendent of schools, has received a beautiful lace head scarf, sent by her nephew, Lt. Sam H. Burnett from Sicily.

The scarf, beautifully worked with clover designs, in green, red and purple, is hand made and of fine mesh lace. Across the center is the word "Sicilia."

Lt. Burnett, son of Dr. Sam H. Burnett of Corsicana, is with the glider troops in Sicily and is a flight officer.

Somewhere In England

SGT. O. J. BROD

Sgt. O. J. Bord is the only son of Mr. and Mrs. O. J. Brod, Sr., of Ben Arnold. He is a graduate and post graduate of Yoe High School and also took a course in Diesel engineering and holds a diploma.

Sgt. Brod enlisted in the army air corps a volunteer as a mechanic before the enactment of the Selective Service Law on November 11, 1940, and was first assigned to duty at Kelly Field, San Antonio, and after 4 months was sent to Selfridge Field, Michigan. He spent a year at Selfridge and was sent to Charleston, South Carolina for two months.

From Charleston he notified his parents he was leaving the states for an unknown destination and within 5 weeks a cable was received by his parents that he had arrived safely in England.

Sgt. Brod has been in England 17 months and just recently he enjoyed a 2 weeks leave in London and expressed wish that his parents might be with him for the pleasure of the English capital.

Before enlisting in the Air Corps Sgt. Brod was associated with his father in the gin business in Ben Arnold.

NEAR 3 INCHES RAIN FALL IN CAMERON

Rain which began falling here Saturday night had reached a total precipitation of 2.99 by noon Tuesday, according to Richard Hester, local weather bureau reporter.

Mr. Hester has given the daily fall for four days. On Tuesday a total of 1.24 was recorded while on the 27th 1.39 was the measure.

The rain is doubly beneficial because of the manner of its fall and will result in great benefit to the county.

Here is the four day record:

September 25	.14
September 26	.25
September 27	1.36
September 28	1.24
Total	2.99

This report covered the rainfall up to 2 p. m.

FORMER JUDGE HERE DIES IN CALIFORNIA

Friends in Cameron have received news of the death of Judge Braxton Griffin of Brawley, Calif., former Cameron citizen.

Judge Griffin was married to Miss Mary Cobb, native of Milam county, who died a few years after their marriage, and later Judge Griffin was married to Miss Laura Allen of Rockdale. To this union were born two children, a son and a daughter, both of whom live in California.

Judge Griffin had been active in life but had grown feeble and had not been well for some time, and suddenly died at his home Sept. 8th. The funeral was held at the Baptist church with interment at Brawley Before leaving Texas he had taught school at several places over the state, and was highly esteemed by all who knew him.

Miss Imogene Hollingsworth, who has been connected with the AAA office here, has accepted a position with a large concern in Houston, and reports she likes her work very much.

YOEMEN LOSE TO BRENHAM 7 TO 0

The Yoemen met their first defeat of the season Friday night but in getting the little end of the score which was nothing at all, they looked better than when they defeated McGregor.

The game was pretty much one way after the first quarter. A big boy named Eddie Murski, Captain of the Brenham team, hammered the left side of the Cameron line until it finally yielded him a touchdown.

The Yoemen threatened only when Torno passed to Horstmann, the Cameron right end for 25 yards and put the ball in scoring distance but that was all.

Brenham knocked at the Cameron goal several times, once in the second quarter had the ball on the 1 foot line The half ended and a touchdown was averted. Late in the fourth quarter when the Yoemen resorted to passes, Torno failed to kick on fourth down and the ball went over after an uncompleted pass. Brenham was threatening to score when the game ended.

The game was unique in that no penalty was imposed on either team. What amounted to a penalty occured when the referee ruled pass interference and Brenham got the ball on the Cameron 15. This was in the late second quarter and the Yoemen were saved by the whistle.

Attendance was better despite a cold northeast wind that swept the stands.

Band Sweetheart to Be Named; Five Are Candidates This Year

Cameron's band sweetheart will be named again this year after the usual custom.

There are five candidates as follows: Carolyn Brock, Aileen Hollas, Margaret Matula, Bennie Bailey and Eugenia Akers.

The contest opens officially today and will close next Saturday, October 2, at 8:00 p. m.

The people here will welcome this announcement. Sweetheart contests have always created much interest. Proceeds will go to the band. The Band Parents Association is sponsoring the contest.

In casting votes the following will be of interest: 500 votes $1; 200 votes 50c, 100 votes 25c.

GOVERNMENT MAKES APPEAL FOR SALVAGE

Our Government is asking us for more salvage to make the final stroke. Farmers are begging for new farm machinery. The quicker we answer the calls for salvage the quicker these demands can be met. The war is going our way now, lets don't loose the ball on the one yard line. Everybody to the wheel in the drive we are now starting.

We want paper, grease, tin cans, and scrap iron. Accumulate your paper in bundles easily handled. Further instructions will follow.

Each and every butcher is in position to handle the grease. Tin cans, cleaned, both ends out and mashed, may be placed in the pen on the county jail yard—proceeds of $4.50 per long ton go to the worthy cause.

Scrap iron must be shipped to the mills through a junk dealer. It may be sold to the dealer by the owner, or it may be donated to some local cause, and then sold to the Junk dealer. There is a ceiling price set by our Government on this worthless stuff for the mills to pay, and the buyers must necessarily pay a price, giving himself enough margain to live and stay in business. There are less than half as many junk dealers in Texas as there were a year ago. Those who quit paid too much.

Giving the stuff we are not using and probably will never use is a slight sign of being patriotic. These boys giving their lives to make our bonds good are patriotic.

TIME EXTENDED THRU SATURDAY OCTOBER 2

Milam county had subscribed a total of $5,229,087 for war bonds of the 3rd Loan up to noon Thursday, it was reported by Emory B. Camp, Assistant Treasury Representative.

Mr. Camp said that loan time had been extended through Saturday, October 2nd.

By extending the time an opportunity will be given all communities to make their final reports and to contact any who have not purchased.

Due to critical shortage of workers a thorough canvas could not be made. The loan period was up to September 30th.

MAD DOG ALARM IS SOUNDED IN CAMERON

The small son of Mr. and Mrs. Trimble in Cameron was bitten by a mad dog Monday.

City Marshal Dan Lunsford issued a warning Wednesday afternoon that all dog owners must keep their dogs penned up until it is safe for them to be at large again.

Mr. Lunsford said he would have to destroy all dogs regardless of who many own them as he cannot temporize with rabies among dogs.

Dog owners should pen their dogs and keep them under observation for the required number of days. Call a veterinarian and play safe. While four legged mad dogs are not as dangerous as the two legged ones loose in the world, we cannot afford to run the risk of infection by rabies.

WIRE TO MOTHER TELLS OF SONS LOSS IN WAR

Pvt. Del Posival, already reported killed in Sicily, died on July 4th according to a telegram received here Saturday from General Ulio, adjutant general of the army, to Mrs. Mary Posival.

The message came to Mrs. Posival in a local hospital where she lost an infant, born last night.

Frank Posival, father of Pvt Del Posival, brought the war deportment telegram to the Herald.

The parents had received a letter some time ago from a companion who said he witnessed the death of Posival, brought the war department officially confirms the death.

Pvt. Posival was with the invasion forces in Sicily when he was killed in action.

MRS. WILLIAM SHAFER BURIED LATE FRIDAY

Mrs. William Shafer of Hanover Community, age 40, died at 7:00 a. m. Thursday morning Sept. 23, 1943, in a Temple Hospital. She had been in ill health for the past month. Mrs. Shafer had lived in the Hanover community all her life.

She is survived by her husband and eight children. Funeral services will be held Friday afternoon at 4:00 o'clock, Rev. A. J. Frisby officiating, at Liberty.

6 Bales of Cotton In Auction Wednesday At Marak Picnic

Six bales of cotton are to be sold at auction Wednesday, October 6th at the Marak picnic and supper, it was announced Wednesday by Father Ben Holub.

The picnic will begin at 3 p. m. and the supper will climax the activities of the day.

The cotton has been donated by farmers of that community and they have been generous as may be seen from the number of bales.

The people here and elsewhere are urged to attend this picnic and supper.

Sam Tyson of California, will visit his parents, Mr. and Mrs. Dan Tyson this week. Sam has been in training for several months, and is expecting to serve overseas in the near future.

Loan Chairman Hicks Issues Appeal and Thanks Workers

"I want to thank all of you for the splendid co-operation which you have shown me and the other workers who are responsible for the Third War Loan Drive in our county. I want, also, to congratulate you upon the purchase of bonds thus far in our campaign. But while these purchases have shown the fine spirit of our citizens, they are not enough. It is the bonds yet to be purchased during the remaining days of September that will fill our quota and put Milam county once again over the top.

"Because of the busy season on the farms and in businesses, it has been difficult to secure as many workers as we really need. For this reason there are still some of you who have not yet been solicited to buy a bond. Let me urge you not to wait to be approached by some worker. It is the privilege and the duty of each of us to attend to our own bond buying. So if you have waited to have your bond purchase solicited or if you have not yet bought all of the bonds you are able to buy, please wait no longer. Go to your bank, postoffice or anywhere bonds are sold in your community and have a part in the biggest thing our government has asked us to do.

"Remember, the drive ends Sept. 30th, and there are only a few days left to fill our quota. Do your share today."

Sincerely yours
CHAS. M. HICKS,
Co. Chairman Bond Drive.

To the People of this Community:

ARE YOU REALLY AT WAR?

What does being at war mean to you? Less gasoline for your auto? Less sugar in your coffee? Higher prices for your food and clothes? Separation from your husband?

3rd WAR LOAN Buy More Bonds

Sure, it has meant all those things, some serious and some really trivial for a period when your actual safety is at stake.

But has the war meant BLOOD, SWEAT AND TEARS to you? In many instances YES. The first stage of invasion has already pushed our casualties over the 100,000 mark.

The gold stars which decorate thousands of our homes today are a challenge to the vast majority of us to do our best in the Third War Loan. No good American wants to see one more gold star added to the firmament of glory. We educate our youth for life, not for death. If they die, they die so that we might live. Every extra War Bond **you** buy today will back the invasion so that the war will be shortened and so that there will be less blood, sweat and tears for you and your friends.

MONDAY SALES SECOND LARGEST DURING DRIVE

Milam county was near the goal in the 3rd War Loan drive Monday as sales for the day totaled $564,675.

This is the second largest single day sales reported since the loan started in early September.

The Grand total is now $5,070,706 and some 300 thousand from the quota.

Emory B. Camp, Assistant Treasury Representative, reported the total Monday after a survey of the county.

Mrs. Thomas J. White of Houston spent the week end with relatives in Cameron and Burlington. She has a position with the Southern Pacific Railway in Houston. Her husband. Capt. Thomas J. White is in England with the Army Air Corps.

Pvt. James Cryer of Fort Sam Houston was home over the week end visiting friends and relatives.

Wounded Soldiers Get Knits From Local Red Cross

The war has produced many examples of patriotic sacrifice and service among our civilians. In the months which have passed since the burdens of the home front became more a part of this global war The Daily Herald has had the pleasure of commending a number.

Today the praise goes to Mrs. F. C. Fahrendorf not only because of the latest contribution she had made to the war effort but for all the fine service she has rendered as director of the knitting section for the American Red Cross.

This week a shipment of rare garments for wounded soldiers went to the William Beaumont Hospital in El Paso. They were made from the finest wool obtainable and though expensive are perhaps the most timely of all the knitwear to be made.

Many of the boys who fought in the zero weather of the Aleutian Islands and those who have come in maimed from the South Pacific are in the base hospital at El Paso.

Included in the shipment were: 12 pairs of knee bands; 12 pairs of stump sox to be worn by soldiers who lost a limb; 12 pairs of bed sox and 8 pair of spiral sox.

While Mrs. Fahrendof is director of this work for the Red Cross, too much praise cannot be given for those who have faithfully kept at the job. All are patriot soldiers in the cause for which the nation is giving its life blood. Often failure of the many to help has been discouraging but these faithful women have earned the gratitude of the men who fight and must share large in the credit for a better home front and quick victory.

RAIN

Rainfall here since Saturday night measures 1.42 inches according to Richard Hester, local government weather reporter.

The major precipitation came since midnight Monday and during the hours and up to 3 p. m. the fall amounted to 1.03.

The rain came at an opportune time because of the long drouth and in time to insure fall planting. The cotton crop is already harvested.

Lampasas reported 1:37; Temple .76 and Taylor .93.

DENTAL NOTICE!

We are asking of you the following co-operation, due to the greatly increased demands for Dental service.

At the present time we find it impossible to take care of our Dental needs as promptly as we have in the past.

We offer the following suggestions.

1. Make appointments for your work when possible.
2. Keep them or give at least 2 hours notice, so some one else can have treatment.
3. Do not be impatient. We will wait on you as soon as possible.

Regret we are having trouble in securing Dental Material due to war demands.

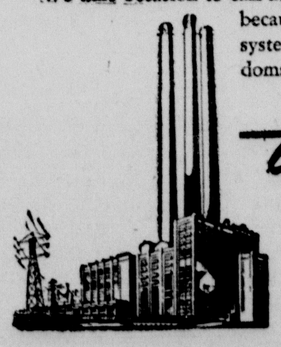
WORKING FOR VICTORY

Yesterday ..we Texans were busy building an empire of better homes, farms and factories . . . schools, churches and other institutions . . . acquired, supported and enjoyed by a free people under the American System of free enterprise. We, of this Company, pioneered in providing dependable, low-cost electric power for use by Texans in building this empire. For 31 years, we have planned and built ahead, growing in experience and resources . . . a business-managed free enterprise, owned and operated by and for Texans.

TODAY . . . we are very busy fighting and working for victory! More than 300 of the young men from this Company are in the armed services . . . fighting all over the world, on land, on sea and in the air.

The employees remaining here on the home front are keeping TP&L electric power on the war job 24 hours a day, 7 days a week . . . in military camps, air fields, vital war industries and for the needs of all of our customers. Amidst all manner of shortages . . . there is *no shortage of electric power.* And amidst rising costs of living . . . **the price for TP&L residential and commercial service is only about one-half what it was during World War I.**

We take occasion to call attention to those contributions to the war effort because they are made possible under the American system of free enterprise . . . one of our basic freedoms which our enemies are seeking to destroy.



tomorrow .. every real American wants his freedom of opportunity and the freedom of American enterprise to remain intact. We must win this war so that we can again go forward to new heights in a world in which the American Way of Life shall continue to demonstrate its superiority.

JAPS PREPARING FOR U S BOMB ATTACKS

The Japs are jittery over the prospects of bombing attacks on their cities.

Renewing the talk of Wednesday the Jap radio told of plans to evacuate civilians from Tokyo and from other centers on the mainland. This announcement is made under the guise of building better defenses.

No doubt the Japs are building better defenses about their cities and war industries. They have also instituted a total manpower mobolization. Here in America we are still wondering if the total moblization plan would be politically wise.

Talk that Japan plans an early attack on Russia was renewed Thursday.

The Red army has driven to within a few miles of Kiev, the Eukraine capital and have further advanced their lines all along the front.

The Germans gave every evidence they intend to burn and pillage Italian cities. Naples was reported to have been almost totally destroyed.

Car Choice Carrots Arrive for School Lunch Rooms in County

Chas. M. Hicks, county superintendent, has just received a car of choice California carrots, for the lunch rooms of Milam county schools.

These carrots are in storage and are being distributed as needed to the lunch rooms. Independent schools will also get carrots.

Mr. Hicks received a car load of potatoes 3 weeks ago and has placed an order for a car load of cabbage and hopes to obtain delivery.

By maintaining important contacts with the State Department of Public Instruction, he was able to secure these foods for the children who eat in the lunch rooms at school. The Federal Government sends these foods without cost to the schools.

Mrs. Lottie Bigbee returned to her home here after spending several weeks with her daughter and husband, Mr. and Mrs. Bob Barnett and family at Baytown. Mrs. Mattie Shepherd left Wednesday morning for Baytown to spend some time with Mr. and Mrs. Barnett.

Oxsheer Smith, Champion Salesman for 3rd War Loan Bonds Reports $450,000 Saturday; To Sit With Bob Hope at Hollywood Star Bond Party

Oxsheer Smith, President of the Citizens National Bank, and director of the 3rd War Loan in four central Texas counties, reported by telephone to The Herald from Dallas Saturday afternoon that he had sold $450,000 in war bonds for Milam county's quota.

Mr. Smith, star salesman for treasury bonds, was pleased to hear that the county is only about $550,000 shy of the quota and pledged that it would be raised.

The grand total for the county at 3 p. m. was $4,944.156.

Mr. Smith, by special invitation, was remaining in Dallas to attend the Hollywood bond show and was honored to accept a seat at the head table with Hob Hope and other screen celebrities.

Included in the bonds allocated to Milam was a purchase of $100,000 by L. T. Lewis for the American Insurance Company and $50,000 by P. B Garrett, bond dealer who has purchased securities here.

Legion Gets Thanks For Cigarettes Sent To Men Overseas

The American Legion Post has received a letter of thanks from a soldier overseas for cigarettes sent last spring. Here is the letter:

It is very gratifying, Gentlemen, to know that there exists the friendly and warm spirit which certainly must have been the feeling prompting the generous gift of cigarettes recently received by all members of my organization here in England. Much of the time we feel that the closest things to us are our immediate familys and our "dog tags" and your thoughtfulness has suddenly made us realize that an entire nation is behind us which needless to say is a mighty fine feeling.

I want to express my sincere appreciation for the contribution you have made and farther hope that we who are in active duty now will be contemplating our position in the American Legion within a very few months.

Respectfully,

Patients at Newton Hospital Doing Fine

Patients at the Newton Memorial Hospital are doing fine and here are the new patients, including a baby, who are making splendid progress:

Emmett Louis Everett, son of Mr. and Mrs. Elmo Everett, born yesterday in the Newton Memorial Hospital and weighing 7 pounds and 7 ounces. Both mother and son are reported doing nicely.

Charlie Gelner of Rt. 1, Cameron, is in the Newton Memorial Hospital and is reported doing nicely.

Jesse Whited of Milano, is in the Newton Memorial Hospital suffering from injuries sustained in a gravel pit accident on last Monday.

Bryan Lloyd, son of Mr. and Mrs. Tom Lloyd, is in the Newton Memorial Hospital suffering from a fractured knee, sustained when his horse fell with him yesterday.

Frank Janek is reported recovering nicely in the Newton Memorial Hospital from injuries received at a local gin several dags ago.

Lucille Williams returned home from the Newton Memorial Hospital yesterday much improved.

Georgia Mae Sams returned to her home today, following an operation in the Newton Memorial Hospital.

Fall Gardening, was the theme of the program given at the meeting of the Delphian Club Tuesday afternoon when they met with the president, Miss Sue Butts, presiding. Mrs. Leland Green, Sr., and Mrs. Carroll Green were co-hostesses at the home of the former. Mrs. W. R. Newton Sr., spoke on "Preparation of Soil and Cultivation of Plants." Mrs. E. A. Flinn gave a talk on "Vegetables and Flowers for Fall Planting," and Mrs. Carroll Green spoke on "Sprays and Insecticides." Following the program, a delightful refreshment plate was served. Fall flowers lent charm to the rooms given over to the prrograms.

Mrs. Harry Moore and daughter of New Orleans, arrived Sunday for an extended visit with her mother, Mrs. Tom Denson.

Mrs. Dick Houston after visiting her mother Mrs. Emma Butts, for a few days, has returned to her home in Houston.

GERMANS EVACUATING BASE AT SMOLENSK

The Germans have evacuated their base at Smolensk.

Retreat of the armies from that center was told first by the Germans themselves. All installations were demolished by a rear guard, said the report.

In Moscow the news was received with jubilation for it is the greatest victory since Stalingrad.

At noon dispatches indicated that Kiev, ancient capital of the Ukraine is also about to be taken by the Russians.

Smolensk was Hitler's headquarters in the early days of the Russian invasion. Here also Napoleon made quarters while marching upon Moscow.

Mr. and Mrs. D. C. Baggett of Fort Worth, spent Wednesday here visiting friends and Mr. Baggett looked after his land holdings in this county. They formerly lived in Cameron many years ago.

Mr. and Mrs. Paul Watson and daughter, Paula Ann of Temple, spent Sunday with his parents, Judge and Mrs. John Watson.

H. C. Crouch of Sandy Ridge was visiting in Cameron on Tuesday.

Neil J. Horstmann In Maritime Service Visits Home Here

Neil J. Horstmann, 3rd Engineer in the Maritime Service of the United States, has concluded a visit here with home folks and friends.

He has been away at sea for a long time, in fact he enlisted on August 17, 1940 at Galveston. He subsequently went to San Diego for training and found his way to sea on a Standard Oil Gasoline transport plying the North Pacific.

After 3 years in the service he was happy to return home and his friends were happy to see him. He is the son of Mr. and Mrs. August M. Horstmann, was born and reared here. Mr. Horstmann is an Alderman in the city government.

The Maritime service is a vital link in war waging. It was the basis of a stirring screen show, "Action in the North Atlantic," and for the first time the American people knew of the dangers involved in getting the cargoes through.

Neil could not discuss his voyages, being a good seaman, but he no doubt can tell many interesting stories.

1st Lt. Allen Horstmann, a brother, is an ordnance instructor in anti-aircraft artillery and stationed at Orlando, Fla.

JOHN PETER HEFTI

John Peter Hefti was born Sept. 11, 1860, in the county of Glarus in Switzerland District in Switzerland. He came to America with his father and mother, Barlteor and Barbara Hefti, when he was 11 years old. He was married to Miss Lenora N. Powers of Maysfield, on Sept. 15, 1894, at Franklin, in Robertson county. Had he lived until Sept. 13th of this year, it would have been their 49th wedding anniversary. After they were married, he and his wife moved to Milam county near Sneed's Chapel and later moved near Maysfield in October 1899, where they have lived ever since as self-respecting, honest, industrious and liberal-hearted people, an asset to any community.

Six children were born into the Hefti home. They were: Henry Hefti, Tobie Hefti, who died at 3 months of age, Annie Hefti, Minnie Hefti, Fred Hefti and Lena Hefti. One sister survives Mr. Hefti, she is Miss Barbara Hefti of Calvert, who was present at the funeral services although of an advanced age.

Mr. Hefti's people were connected with the Lutheran church in Switzerland. In America, he first joined the Friendship Methodist church at Spring Prairie. Later on he became a member of the Methodist church at Maysfield.

All things considered "justly is blessed with long life," and when people are found in the way of righteousness, their age is honored, that command respect, and their grey hairs may indeed be a crown to them and worthy of double honor. One soul said, "Grace is the glory of old age."

Mr. Hefti's way through life was the way of a newly blazed trail that led out of Switerland, across the Atlantic and on west to Texas, no doubt an adventerous life. It must have been beset by temptation, but he remained sturdy and true till he had lived almost eighty-three years.

His way was the way of honest hardship. He went ont into almost virgin territory and hewed and dug his way into respectable and honorable citizenship. His way was the way of energetic thrift. He must have striven to exemplify the words of an old prophet who said: "Wherefore do ye spend your money for that which is not bread and your labor for that which satisfieth not." Many labor for a lifetime to provide for their physical needs and neglect their immortal souls.

His way, too, was the way of righteousness through faith in the Lord Jesus Christ. That gave him some things that money cannot buy—peace, steadfastness and a hope that is eternal. "Faith is the Victory" for him and for us.

From where I sit . . .

by Joe Marsh

At Jeb Crowell's the other day, we were havin' a glass of beer or two and talkin' about the kind of world there'd be when Peace came.

"Hear they'll have trans-Atlantic airplanes flyin' regular as taxi service," says Ed Carey.

"Yep," says Will Frost, "and television and plastic cars and air-conditioned homes and super-duper highways."

Finally, Doc Mitchell chimes in. "You know," he says, "we're talkin' about the future in terms of luxuries—like air-conditioned houses and television.

"But what really will shape tomorrow's world is what goes on in men's own hearts . . . like tolerance and understanding."

And from where I sit, Doc's right. Whether it's tolerance of another's politics or respect for a neighbor's right to enjoy a glass of beer occasionally, tolerance is a mighty good foundation for a peacetime world.

I'M BUYING A USED STUDEBAKER BECAUSE . . .

I'm a war production worker—I'm buying a used Studebaker because I want a car that's downright easy on tires and gas these war days.

I'm a business man—I'm buying a used Studebaker because I know Studebaker materials and craftsmanship won't let me down.

I'm a volunteer worker—I'm buying a used Studebaker because I want a car that's easy to handle and won't fatigue me.

I'm a farmer—I'm buying a used Studebaker because I want a car that won't need a lot of mechanical attention, with manpower scarce.

YOU save tires and gasoline, when you own a used Studebaker Champion, Commander or President. That's because of the pioneering of Studebaker engineers in eliminating needless excess bulk.

You save on repair costs, too, because of the high quality of Studebaker materials and craftsmanship.

But don't wait too long to order your used Studebaker. They're getting scarce. Besides used Studebakers, our stocks include good used cars of other popular makes.

Keep your car up to par with Studebaker service

Drive in frequently and have your car inspected, no matter what make it is. If adjustments or repairs seem necessary, you'll be given a check list of what needs to be done. Efficient mechanics will do the work quickly and at moderate cost.

BRITISH 8TH ARMY IN SIGNIFICANT WIN

Balkan capitals including the Rumanian oil fields were brought within easy range of Allied bombers Tuesday with the capture of the air base at Fogia on the Adriatic coast of Italy and the fall of the city itself marks a new high in the Allied invasion of the continent.

The British 8th army under General Montgomery was advancing rapidly up the Adriatic coast and a solid offense line has been established from the Mediterranean to the Adriatic.

The American 5th Army under General Clark has pushed a large wedge in the German lines and encirclement of Naples is but a matter of hours.

The British central forces were having a tough go in the mountains.

With the capture of the Fogia base it is less than 600 miles from Vienna and the Rumanian oil fields, vital to Hitler's war machine can be attacked with as much ease as the bombing of Sicily from North African bases.

All Balkan capitals are now under the bomb sights of Allied airmen who are fast making use of Italian air bases.

Russian armies are reported crossing the Dneiper river and the Germas have announced their retirement. The Germas appear to be retreating in order and speculation continues to crop out in war information centers, whether the Germans may not be planning a peace with Russia.

Stalin has said his war aims are to drive the Germans out of Russia and defeat the Nazi in so doing. The Russians would not be put to the necessity of invading Germany to square things with the announced campaign of Stalin. If the Reds conclude a peace with Germany on their own terms it would be gullible in the extreme not to expect such a move.

Burlington Man In Air Corps Gets Medal in Panama

Headquarters Panama Canal Department—Award of the Air Medal has been made to 2nd Lt. Erwin I. Wied, husband of Mrs. Agnes H. Wied, 2633 Peckham Street, Houston, in an announcement published by Headquarters Sixth Air Force.

Lt. Wied, now serving a bombardment squadron of the Sixth Air Force in the Caribbean Area, was awarded the decoration for meritorious achievements while participating in long range patrol flights over the Pacific and Caribbean approches to the Panama Canal. A bombardier on a patrol crew, many of the missions were made when unfavorable weather conditions made flying hazardous.

The citation accompanying the award lauds Lt. Wied for the untiring energy and meticulous care exhibited while flying on patrol missions, also stating that the possibility of encountering an enemy task force enemy ships of fighter type, or anti-tircraft fire added to the hazards of these missions. In conclusion the citation reads: "There services reflect highest credit upon themselves and the Military forces of the United States.

Lt. Wied entered the service on Jan. 26, 1942, at Kelly Field, Texas, where he received his flying instructions as a cadet and was commissioned a second lieutenant upon graduation on Dec. 17, 1942.

He is the son of Fritz H. Wied of Burlington. Prior to enlistment he was employed by Planters National Bank, Rosebud, Texas.

Mrs. W. D. McIntosh, the former Miss Henriem Hefley, is visiting W. L. McIntosh and daughter at Dalhart. Lt. McIntosh is now over seas some place in the War zone in Africa. His wife has received notice that he was safe across.

Two Cameron Men Boyhood Pals, Serve Together in Air Corps

At least as far as Lt. Glenn H. Flinn and Sgt. B. B. Watson are concerned, the statistical office at Perrin Field has something of the atmosphere of homecoming.

When Lt. Flinn came to the field as statistical officer he found his noncommissioned officer in charge of the office was Watson, his boyhood playmate in Cameron.

The lives of the two men has run through an unusual parallel. Spending their boyhood as hunting and fishing companions, they later went to the University of Texas, both joined Delta Kappa Epsilon fraternity, and were room mates for three years there.

Then they returned to Cameron where Flinn became an advertising salesman for the Cameron Herald and Watson went to work for the Texas Power and Light Company. After a year Flinn, too, started to work for the utility company.

Then they were separated, for both were sent by their company to other Texas towns to work, Flinn to Tyler and Watson to Denison. By 1942, Watson was manager for his company in Bonham, and Flinn was supervisor of operations for the same company in Tyler.

Without knowledge of what the other was doing, both enlisted in the Air Forces at the end of 1942, Flinn at Randolph Field and Waston at Perrin. Both enlistments were by special permission of the adjutant general.

Watson remained at Perrin. Flinn went to officers candidate school. When he completed the school and received his commission, Flinn was sent to Perrin Field. There he found, for the first time, his old friend was working in the same office that Flinn was to supervise.

FARMERS URGED TO KEEP COTTON RECORD

Farmers are asked to keep records of their 1943 cotton production, and it is highly important that these records be kept accurately, according to A. L. Freeman, Secretary to the Milam County Committee.

Mr. Freeman explained that in past years, ginners have co-operated with the AAA by furnishing detailed records of cotton production for each farm, but that this year these records will not be obtained from ginners, due to the suspension of marketing quotas.

In the past, the records of production have served as a basis for determining the yields used in marketing quota programs, crop insurance programs and in determining AAA payments.

"It is to a farmer's best interest that an accurate record of his 1943 cotton production be kept because this record may be needed in future AAA programs," Freeman said. He said that each farmer should keep each gin ticket, bale receipt, or sales ticket for baled cotton and for lots of seed cotton sold. The AAA has offered to keep these records for any farmer who wishes to deliver or mail them to the county office.

Joe Campbell of San Gabriel was a business visitor in the city on Tuesday.

Miss Maxie Baker, County Health Nurse, visited her home people at Lovelady for the week end.

Have a Coca-Cola = Welcome, Short-Snorter

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

...or how to bring folks closer together

When short-snorters (trans-ocean flyers) meet and compare their autographed dollar bills, the invitation *Have a "Coke"* is fairly sure to follow. In three short words people strike the spark of comradeship. From the family fireside to far-flung fronts, Coca-Cola stands for *the pause that refreshes*—has become a symbol of those who see things in a friendly light.

EMPLOYER HERE FINED FOR LABOR LAW BREACH

Texas' 54 hour law for female employes is being enforced in Cameron.

On a complaint filed by J. F. (Frank) Miller, Deputy Labor Commissioner, based on charges made by a woman employe, a local business man Wednesday paid a fine of $50 and costs in the court of Justice Womack Brashear.

Mr. Miller was here in connection with his duties as investigator and obtained the conviction when the employer entered a plea of guilt and paid the fine.

No female shall be employed in any factory, mine, mill, workshop, mechanical or mercantile establishment hotel, restaurant, rooming house, theatre, moving picture show, barber shop, beauty shop, road side drink and or food vending establishment, telegraph, telephone, or other office, express or transportation company, or any State institution, or any other establishment, institution or enterprise where females are employed, for more than nine (9) hours in any one calendar day, nor more than fifty-four (54) hours in any one calendar week.

Slavonic Order in Texas Allocates War Bonds to Milam County

The Slavonic Benevolent Order of Texas with headquarters in LaGrange, has allocated $10,000 in war bonds to Milam county, the second such allocation since war financing was begun two years ago.

In the April 2nd war loan the Order allocated $10,000 in bonds on request of F. A. Marek, member and director.

In the September allocation a lettel reached Chas. M. Hicks, county chairman for the 3rd War Loan, from J. F. Chupick, Secretary at LaGrange.

The Order purchased $200,000 in bonds for its Texas department and has thus substantially contributed to the war effort. The Order is made up of Czech citizens of Texas whose patriotism has been a world factor in combating Nazism and Fascism.

Mrs. J. M. Tally of Buckholts was a Cameron visitor on Tuesday.

Mrs. Mina Lewis of Cornith was here Wednesday.

Kitchen Fats Are Vital For War; Call Is Made For More

With millions of pounds of waste-kitchen fats still critically needed to meet war demands, S. E. Brogdon, salvage committee chairman for Milam county, today urged housewives to remember that even if accumulated fats become rancid, they still retain a majority of the valuable glycerine that goes into products for war.

When the Government started the waste fats collection program, it was recommended that fats be stored in a cool place pending turning them into the butcher, so that the fats would not become rancid. It was pointed out that rancid fats becamce smelly, and therefore a nuisence to handle, as well as slightly reducing their glycerine content.

Some housewives, particularly in farming communities, believing that rancid fats are valueless, have not been turning them in for salvage, S. E. Brogdon said. This has resulted in the loss to the war effort of thousands of pounds of glycerine that should have been processed from these fats.

Ad Hall school began Monday morning with three teachers present. Mrs. H. E. Garner is principal of the school, and reports that they had a good attendance for the inclement weather.

STOP! Does not mean go ahead.

VITAL DAYS AHEAD IF COUNTY GOAL REACHED

Milam county moved into the spotlight of the nation again Thursday as her people reported they had purchased $4,360,034 of war bonds from the 3rd Loan.

The figures were telephoned to The Herald by Emory B. Camp, assistant to Oxsheer Smith, Treasury Representative.

The figure represets the accumulation of sales for the past 4 days amounting to nearly $700,000. The major portion of the increase came from Rockdale where her people are doing a magnificent job.

The county is yet around one million shy of the quota and the next seven days are vital if we keep faith with the job the nation has given us to do.

ARE YOU LOYAL TO UNCLE SAM? I AM!

The 'A and Eagle' Has Learned to Fly

Impassable roads? Mountainous territory? An urgent need to move fighting men, supplies and even jeeps by air? Our armed forces have found the answer. It is one of the thrilling new developments of the war—the use of gliders, which are now being produced in imposing numbers.

* * *

Can skilled metal workers and cabinet makers turn quickly from manufacturing refrigeration equipment to making glider parts? Yes indeed!

Our Refrigeration Division volunteered long ago to help Uncle Sam build gliders. The shops that once made equipment for ice cream and frozen food dealers the country over were revamped completely and old and new workers trained for this important enterprise.

INCIDENTALLY, *our Refrigeration Division was created many years ago as a result of experience gained in making millions of tons of ice to produce the world's most popular beer.*

BOND SALES SOAR TO $4,494,156 NEW LEVEL

Bond Sales in Milam county soared to new high levels Friday at $134,122 additional buying was reported from over the county by Emory B. Camp, Assistant Treasury Representative.

The grand total at 4 p. m. Friday was $4,494,156 with a million yet to go in the great war share for Milam.

Oxsheer Smith, Treasury Representative, has pledged that the quota will be raised. Much work remains to be done with only seven days left.

Next will be vital week. A million dollars in bonds are yet to be sold and the people are urged to buy. Back the attack with a bond in very home.

WAR NEWS

Radio commentators talked about what might happen if Japan is bombed and the armies are presumed to be fighting in Italy. The Russians are marching on with little opposition. Washington fears a separate peace between Germany and Russia, but will not say so. Sumner Welles has quit the state department. Both London and Washington are working hard to shape up some more conferences.

Mrs. Leo Price, the former Miss Elizabeth Sprott, daughter of Mrs. Chas. Sprott of Cameron, is returning to Mary Harden-Baylor College to complete her degree in piano music. Mrs. Price received her B. A. degree from that college early this summer. Her husband is in a school near Brownsville, and will be qualified for overseas duties soon.

Arthur Crowell who has been in the Marines for two years, in Boston, Mass., is now on furlough. This is the first time he has been here in two years and we are sure his friends will be glad to hear that he is now at home for a few days.

Tech Sgt. E. O. Schiller and wife, of Camp Crowder, Mo., are here on a 14 day visit with his parents, Mr. and Mrs. E. O. Schiller and Mr. and Mrs. O. S. Raney of Buckholts. Edward expressed himself as liking his place very much.

Miss Milday Tomasek of Ad Hall spent this week end with Miss Frances Zarrel of Marakville.

Edwin Lehnert returned to his home today from the Newton Memorial Hospital, much improved.

Virginia Cone Weds Charles J. Shurtz Sunday, Sept. 26th

Miss Virginia Cone became the bride of Charles Joseph Shurtz of Dickerson, Sunday morning, Sept. 26th at 10:30 o'clock at the home of her sister and brother in law, Mr. and Mrs. E. C. Cole, with the Rev. Bob Pool reading the double ring ceremony.

Mrs. Cole gave the wedding music with Mrs. Valter White singing a bridal song. The bride was attended by her neice, Gloria Anita Cole of Lon Morris College. The ring bearer was John Douglas Reichert, son of Mr. and Mrs. Ben Reichert.

Mrs. Shurtz is well known in Cameron, having taught school in this county and lived at that time here much of her time. She is the daughter of Mr. and Mrs. B. F. Cone of Minerva.

Following the wedding ceremony guests were invited into the dining room where a beautiful bridal cake rested on a lace laid table, that was cut by the bride, and was served with other dainties to the guests who composed her close relatives and a few invited friends.

Mr. and Mrs. Shurtz will make their home in Houston, while both will continue to fill their positions with the Pan American Refining Company at Texas City.

COTTON GINNING REPORT

Census report shows that 18,773 bales of cotton were ginned in Milam county, Texas, from the crop of 1943, prior to September 16, 1943, as compared with 11,663 bales for the crop of 1942.

Jess Thompson, Special Agent.

S. E. Brogdon, Chas. Hicks and Judge Kemp attended the salvage meeting in Bryan on Sunday. George Chance presided. The meeting was also attended by Mr. Gaston of the WPB. The meeting was very enthusiastic. 15 million tons of scrap iron must be had by the end of this year.

Owen Stidham left Monday night for the West Coast to resume his duties with the navy. While here he had as guest Carroll Ellzey from Osyka, Miss., who returned to duty with the navy also. Both are on the same submarine.

STOP! Does not mean go ahead.

MILANO NEWS FROM

After the completion of their new home Mr. and Mrs. Jim Stewart were entertained with a miscelaneous shower, or rather a house warming by their many friends. Various games and contests were played, and then came the presentation of gifts, which they were well pleased with. Mrs. Stewart thanked each and every one for the gifts and Mr. Stewart said that there was nothing like friends. The attendance was about 50. Cake and punch were served, and they received many nice and useful gifts for their new home.

Mrs. O. Warren is here at the home of her parents, Mr. and Mrs. Milton Pierce recovering from an appendicitis operation performed at the King Daughters Hospital in Temple. She is improving nicely and will soon be able to go to her home.

Mrs. Lena White returned to her home in Dallas after a 3 weeks visit here with her sister Mrs. Jim Stewart and other relatives and friends.

Mrs. Ray left Friday afternoon to spend the week end with her husband who is working in Waco.

Mrs. Jim Martin, a teacher in Milano High School, spent the week with her husband who is home from the Army on a weeks furlough.

Miss Gertrude Jones left Monday for Hempstead where she will teach school for the term of '43 and '44.

Miss Alice Brennen in company with her brother and sister spent a few days last week in Waco visiting relatives.

Mr. and Mrs. Robert Rogers and baby, and Mrs. W. T. Burdick and Jewell Hooker spent to week end here with their mother Mrs. W. F. Hooker.

The family of Claude Hooker has received word that he is improving nicely and hopes soon to be with his family.

R. E. Thweatt and daughter, Mrs Al Johnston and some friends went on a shopping trip to Waco Thursday.

Gene Brannon from Corpus Christi spent the week end here with his parents, Mr. and Mrs. Charlie Brannon.

Mrs. Mable Woods is a guest of her sister and family Mr. and Mrs. McBride of Harlingen.

Mrs. Beavers is in New York visiting her children and will be gone for some time.

Mr. and Mrs. Oliver Arnold of Temple spent Wednesday in the home of Mr. and Mrs. G. W. Hilliard and were visiting other friends.

Mr. and Mrs. Bob Haddox of Bryan were visiting in the home of Mr. and Mrs. Clyde Jackson here Sunday.

Mrs. Maude Ryan of Houston is here a guest in the home of her brother, Carlos Sloan. She has been visiting her mother in Austin who has been seriously ill with pneumonia. She is improving nicely.
